# UPDATE

There appears to be some confusion regarding our Men's Summer Teams.

As was explained at the Club AGM in February, the Sussex Summer League structure has changed.

Every club was offered the opportunity of entering as many Singles teams, each player plays 1 singles and one Doubles per match, those teams will play in a separate competition and as many Doubles teams, each player plays 2 doubles per match, in a separate competition as they wish.

We decided that due to the amount of players that were actively playing and wanted to play Singles, including the younger players that we would enter 3 Teams in the Singles Divisions, Men's 1, Men's 2 Men's 3

To include as many players as possible we entered 3 teams in the Doubles only Divisions, Men's 1, Men's 2 and Men's 3.

I felt it would be confusing to have teams in the separate Doubles leagues titled Men's 4, Men's 5 and Men's 6

There will shortly be an email sent out again inviting players to play for the teams with an option for Singles play or Doubles or both.
